ALL ABOUT ME!

SLO: Describe themselves by stating their name, age, likes, dislikes, interests, favourite food, colour, hobby, or game.

Bloom's Taxonomy Level: Understanding

Every child is special. We have different names, ages, likes, dislikes, and interests. We can share these things to tell others about ourselves.

Meet Ali!

Hello! My name is Ali. I am six years old. I like drawing and playing football. I do not like bitter food. My favourite food is biryani, and my favourite colour is blue. I enjoy riding my bicycle.

Now, Let Us Talk About Ourselves!

Complete the sentences to describe yourself.

1. My name is _____.
2. I am _____ years old.
3. I like _____.
4. I do not like _____.
5. My favourite food is _____.
6. My favourite colour is _____.
7. My hobby is _____.
8. My favourite game is _____.

Activity: Tell Your Story

Use your answers to describe yourself to a partner in a few sentences.

More Activities

1. This Is Me! Draw yourself and write three sentences describing your age, favourite food, and hobby.

2. Meet My Friend Tell a partner about your likes, dislikes, and interests. Then describe one thing you learnt about your partner.

3. Choose and Describe Choose a picture of your favourite food, colour, or game. Complete the sentence: "My favourite _____ is _____ because _____."

Remember: *At the Understanding level, describe yourself in your own words and connect your personal details into a short description.*
