NUMBER ADVENTURE!

Maths Worksheet • Grade 1 • Number Recognition (1–10)

Name: _____ Date: _____

Activity 1: Count and Circle!

Student instructions: Count the objects in each box. Circle the correct number.

Circle:

3 4 5

Circle:

5 6 7

Circle:

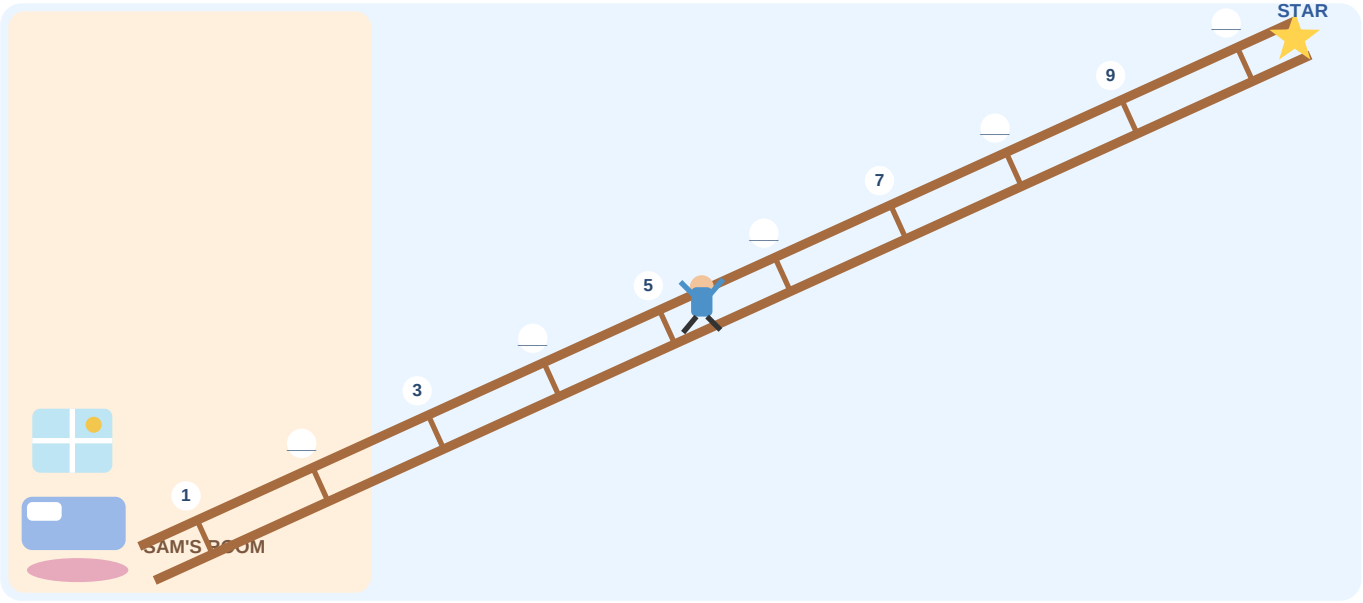
2 3 4

Circle:

4 5 6

Activity 2: Help Sam Reach the Star!

Student instructions: Sam is climbing from his bedroom to reach the star. Write the missing numbers on the ladder. Say each number as you climb!



Teacher instructions: Read the instructions aloud. In Activity 1, encourage learners to count one by one before circling. In Activity 2, ask learners to say the number sequence from 1 to 10 as they fill in the missing numbers.

Well done, Number Explorer!
