A Story for Grade 1

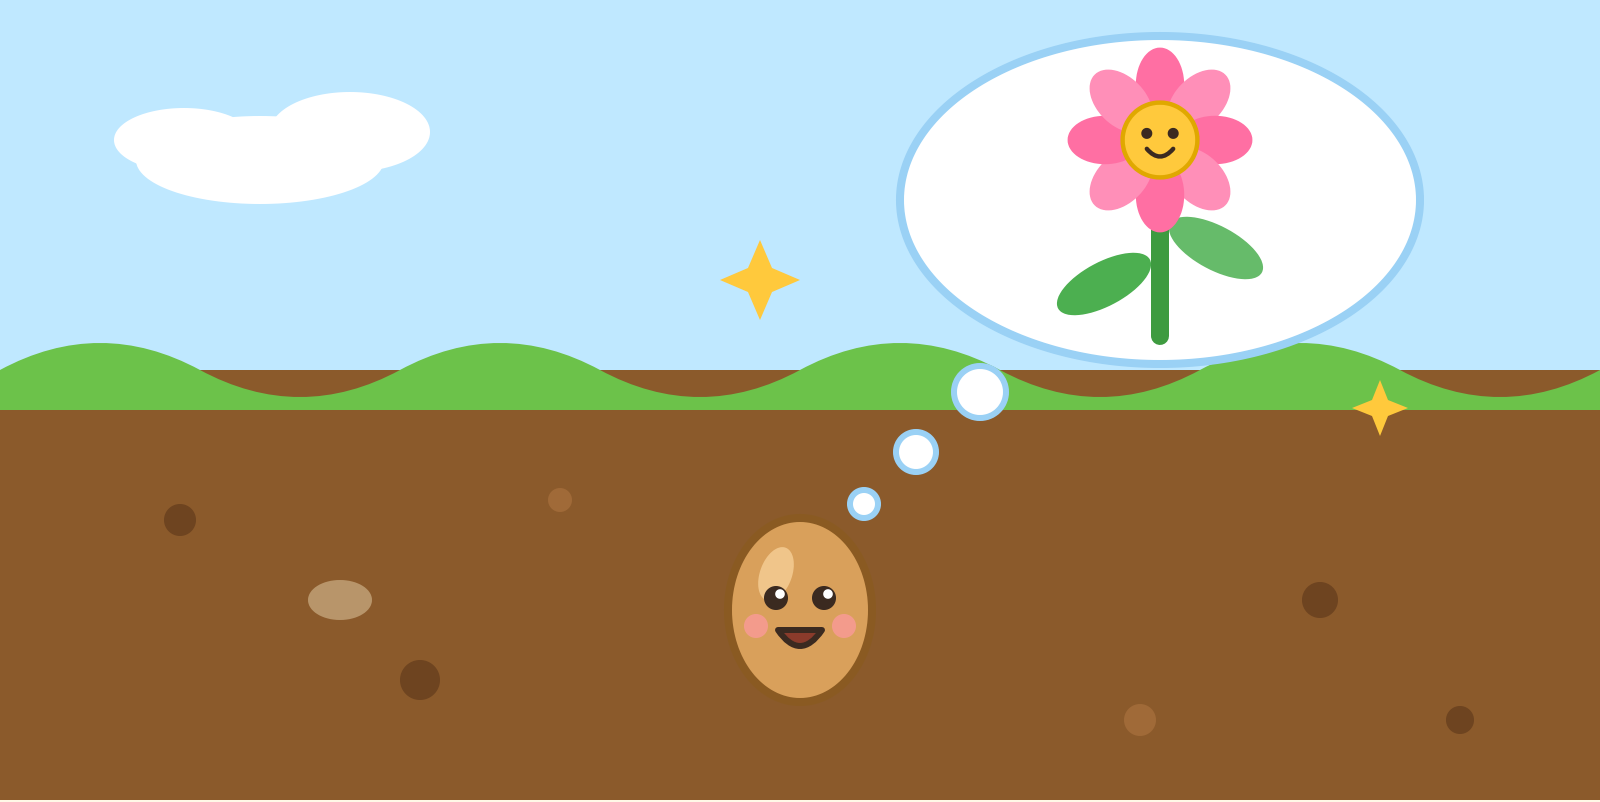

The Little Seed

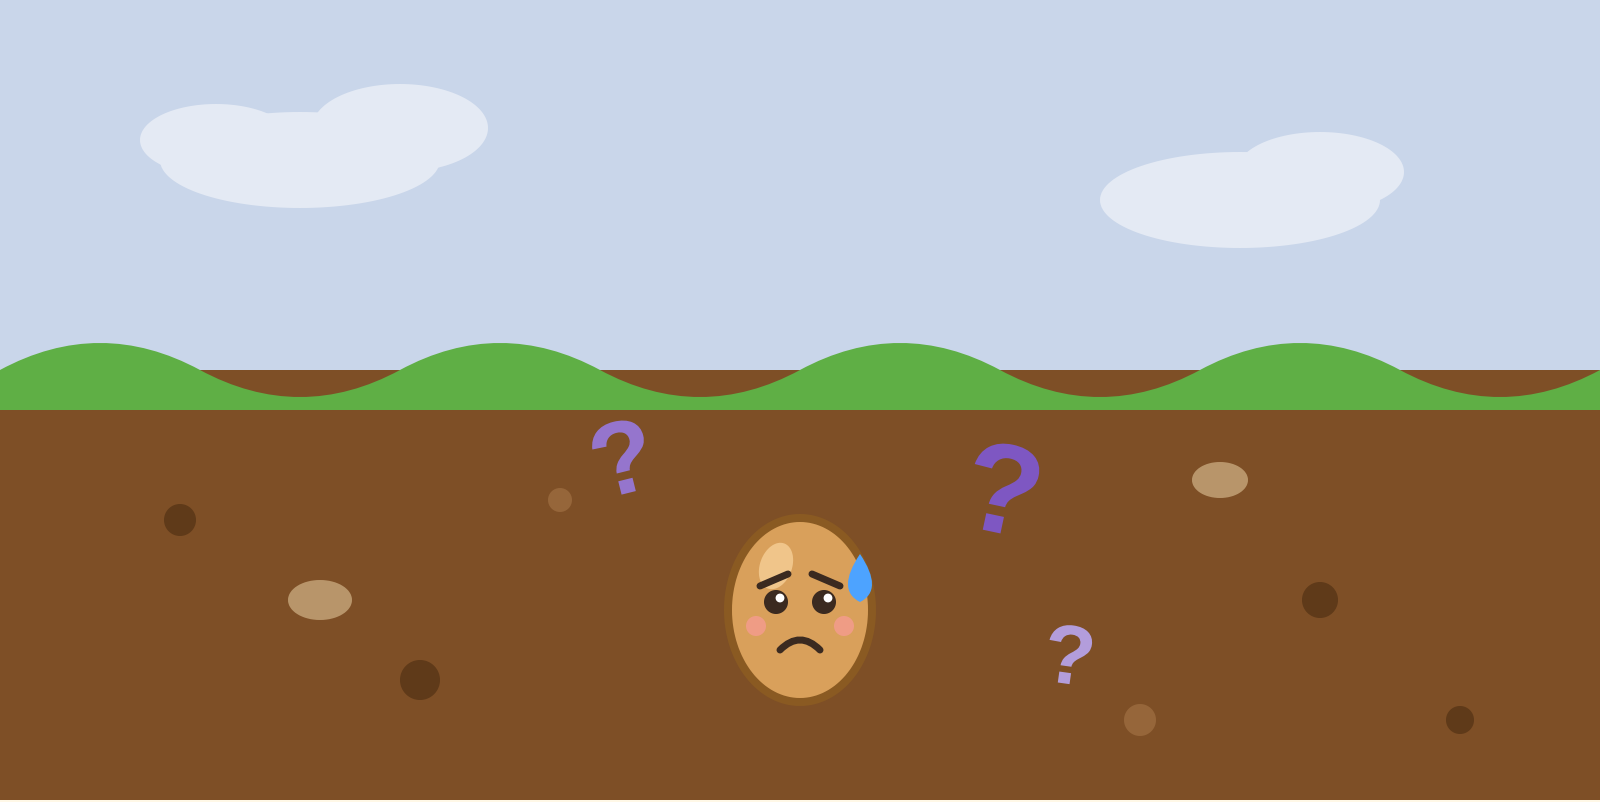

A story about never giving up

Once upon a time, a little seed lay in the soil.

“I want to grow into a big plant,” said the seed.

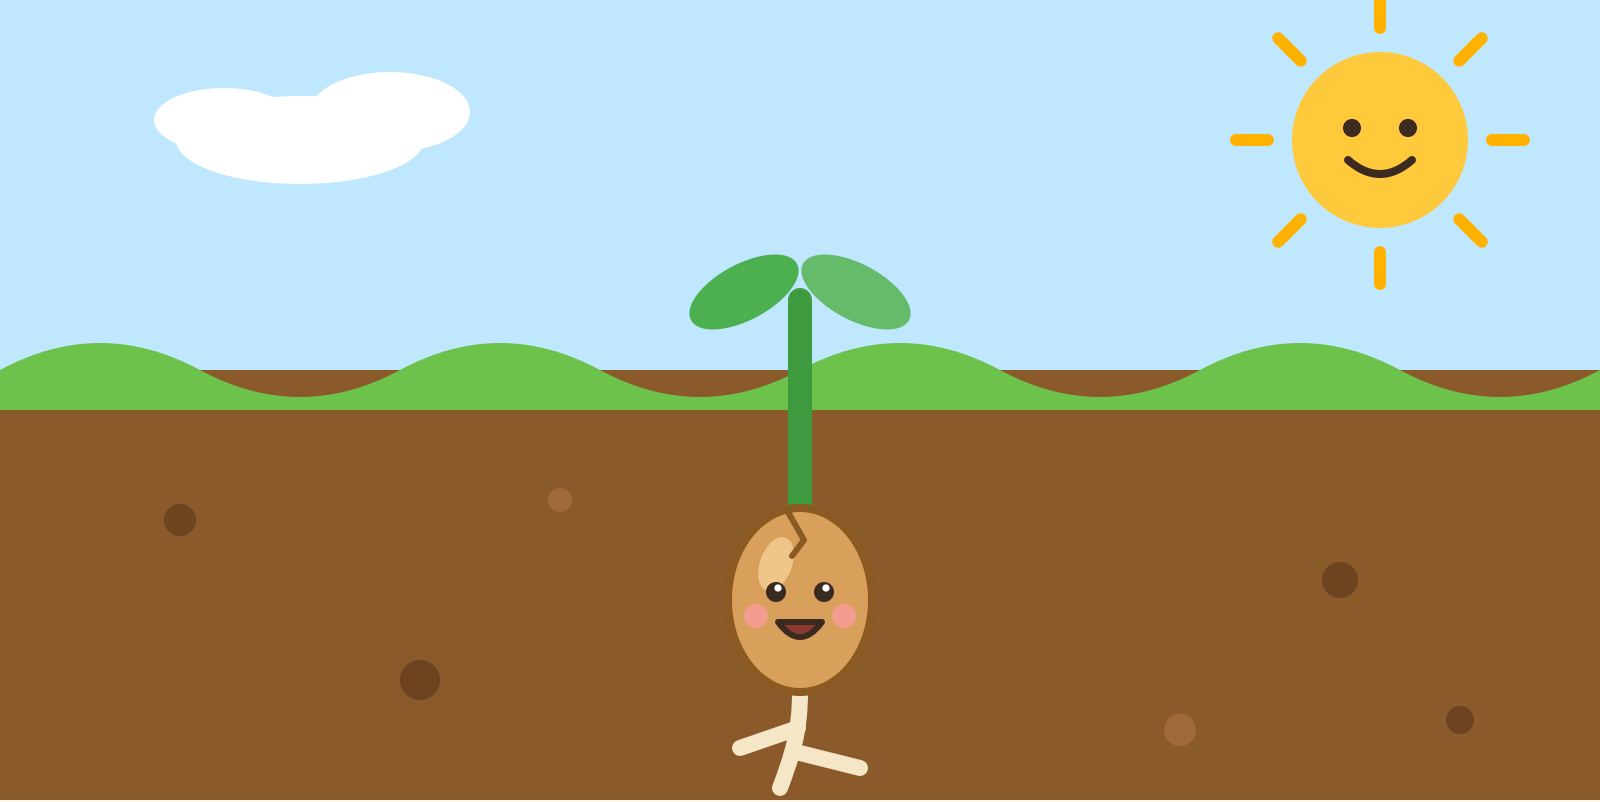

But the seed was afraid. “What if I cannot grow?” it thought.

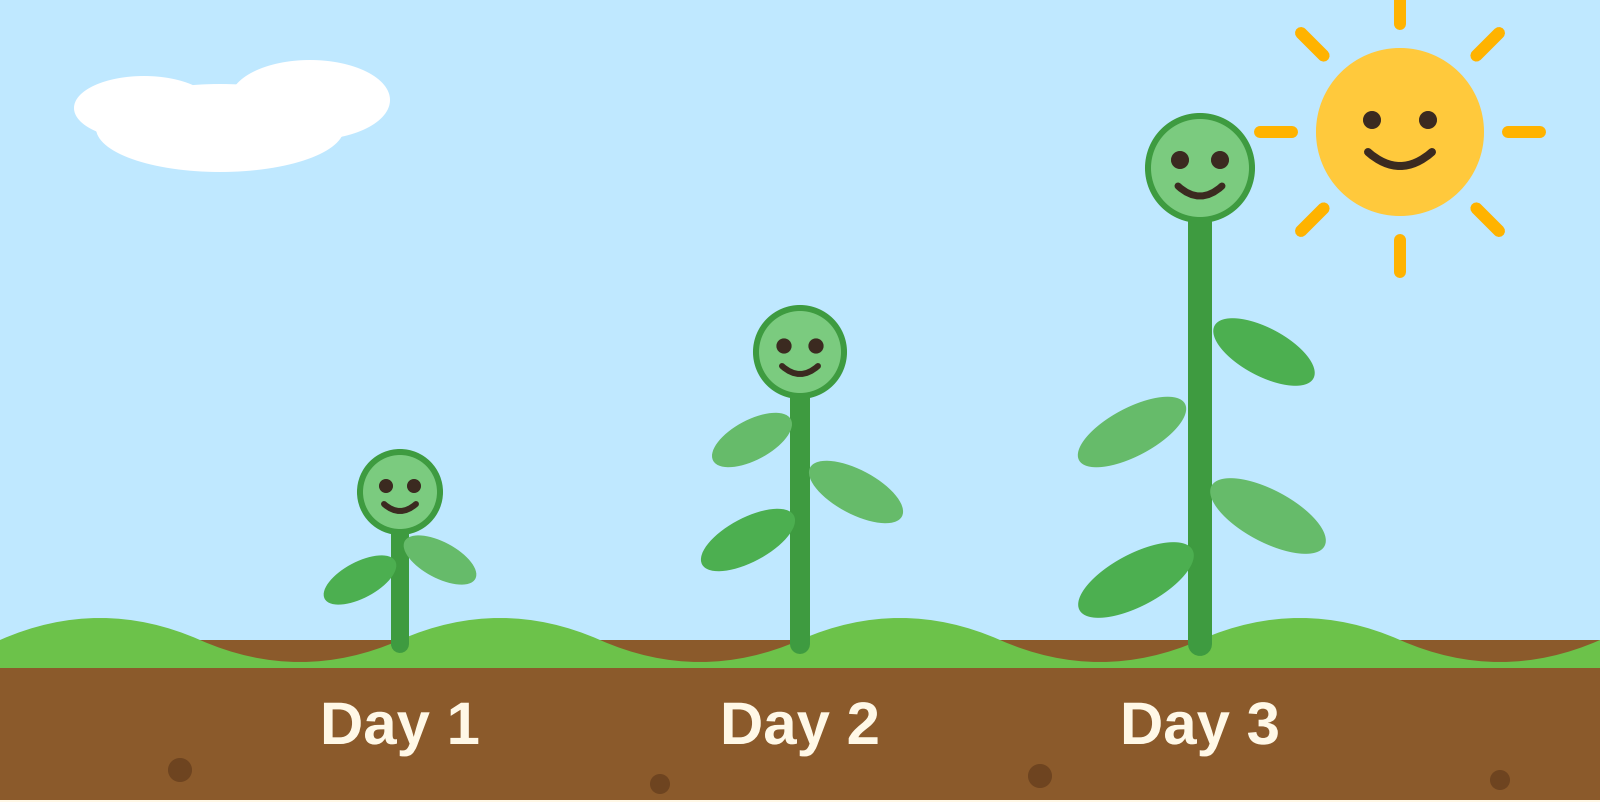

One day, the rain came and watered the soil. The warm sun shone on the ground.

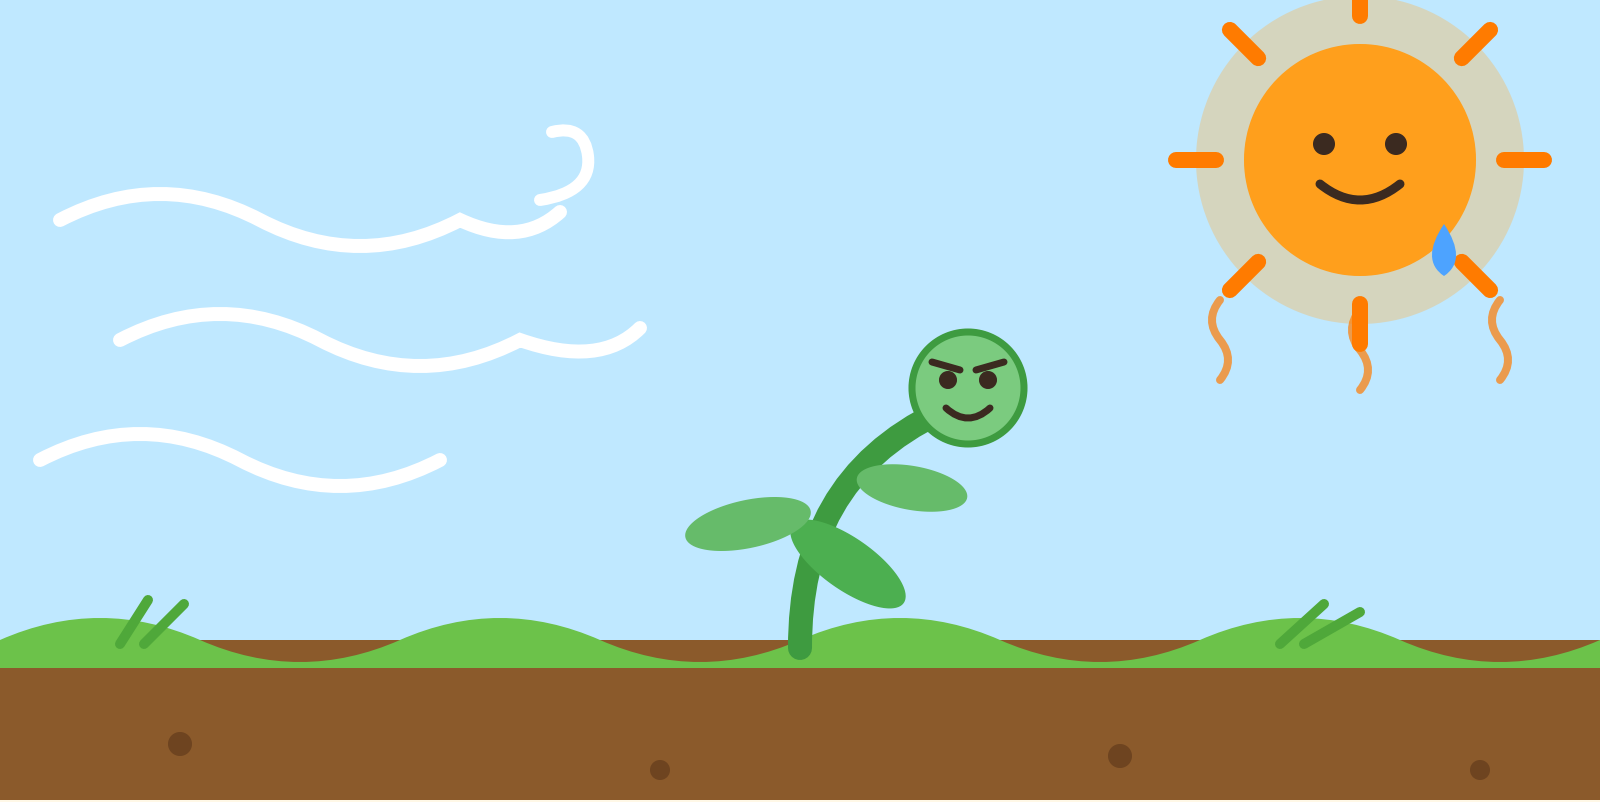

The little seed took a deep breath and began to grow.

First, a tiny root came out. Then, a small green shoot appeared.

Day by day, the seed grew taller.

Sometimes, the wind blew hard.
Sometimes, the sun was very hot. But the little plant did not give up.

After many days, it grew into a beautiful plant with bright flowers.

A little girl saw the flowers and smiled.
“You are so beautiful!” she said.

The little plant was happy. It had grown because it kept trying.

Moral

Never give up. Keep trying, and you can do great things!
